**7:00 p.m. – Lincoln Trail Use Public Forum**

The Lincoln Land Conservation Trust and the Lincoln Conservation Commission have completed a comprehensive review of the multiple uses of Lincoln trails (and how best to manage them for the protection of open space and overall public benefit). Over the last year, we have sought public comments and feedback regarding ways people use and enjoy our open spaces and trails.

At this forum, the Conservation Commission will review the process we used to evaluate changes in allowed trail uses. We will present draft trail use regulations and discuss proposed changes to our trail biking map and dog walking rules. Additional comments will be sought during and after this meeting.

After the public forum, we will be posting the draft trail use regulations on the Conservation Department website. You may submit any comments to the Conservation Department (conservation@lincolntown.org or 781-259-2612)

by May 25, 2022.
