- 1) Confirm Consensus – Recommend to BOS that on October 20th, two questions be posed to the voters: 1) extend the Moratorium until June 30th, and 2) propose a full ban. Should the full ban fail to achieve a 2/3 majority, we will pass out a survey asking the voters to share their partial ban thoughts and reactions to help inform our thinking and planning for a partial ban bylaw that would be voted on in March.
- 2) Sample Ban Bylaw – For Review
- 3) Revised FAQ
- 4) Public Outreach – Scheduling of public forum and release of revised FAQ
