

Minuteman Household Hazardous Products Committee Meeting Minutes

Tuesday, July 12, 2016

Present: Mary Beth Calnan, Belmont (Chair); Elaine Carroll, Lincoln; Robert Beaudoin and Katie O'Neil, Lexington; Rod Robison, Concord; Eileen Zubrowski, Waltham; Katharine Dagle, Bedford; Krista Gloden, Clean Harbors; Charlotte Milan, Arlington; and Deborah Rosati, Watertown.

1. **Call to Order:** The meeting of the Minuteman Hazardous Products Facility Committee was called to order at 2:32 PM by Mary Beth Calnan, Chair, in Room 221 at the DPW building in Lexington.
2. **Minutes:** The minutes from the June 7, 2016 meeting were reviewed and approved
3. **Report for June 18 Collection:** Charlotte Milan reported that the event went smoothly with little wait time.
4. **Site:** The site is ready for the next event. It was cleaned out in June. Kerry will be on site for the event.
5. **Clean Harbors Update:** Krista Gloden did not have any news to report and she does not yet have an answer to the question we asked last month about why Clean Harbors pays \$5 per car instead of per load. She will get us that answer next meeting.

There was some confusion about why certain members had not received the running total of community attendance/participation, and we surmised that perhaps the most updated committee list had not been provided to Clean Harbors. Kati will help with that.

6. **Very Small Quantity Generators Event:** The 2011 letter version was distributed and Mary Beth agreed to update the letter to include Krista Gloden as the current Clean Harbors contact. The date for the event was confirmed to be **Wednesday, August 10**, and Mary Beth will send the updated version to the committee electronically. Members are encouraged to reach out to their hazardous Materials lists kept by each community.

If only a few entities register then Seth may store the material on site and truck it away along with the material collected at the August event.

7. **Solar construction:** will begin next week.
8. **Next meeting:** August 2, 2016.

The meeting was adjourned at 2:52 PM.
