1. Possible next steps for the Lincoln Green Energy Committee (“GEC”) regarding the Lincoln Climate Action Plan (“L-CAP”)
  - a. Background information: See [Town webpage](#) for the June 30 version of the L-CAP, along with an [Executive Summary](#), a [Summary of Goals and Strategies](#), and a “[dashboard](#)” created to enable tracking progress. [Public is invited to comment](#) through this summer, through this [online questionnaire](#). [Presentation](#) to the Select Board said that in “fall 2023”, “Final L-CAP” will be presented to the Select Board. The L-CAP is on the agenda for the September State of the Town (“SOTT”) meeting.
  - b. At least some individual members of the GEC have expressed interest in submitting comments. The GEC may choose to adopt and submit the same or similar comments.
  - c. At this July 26 meeting, several GEC members will discuss possible comments. Although the attendees may not constitute a quorum of the GEC, and the GEC ultimately may not choose to submit comments in the name of the GEC, for the sake of public transparency we are providing this public notice and opportunity to attend this meeting.
