7:00 p.m. – Lincoln Trail Use Public Forum

The Lincoln Land Conservation Trust and the Lincoln Conservation Commission have begun a comprehensive review of the multiple uses of Lincoln trails (and how best to manage them for the protection of open space and overall public benefit). Trail uses have changed over time, and we are seeking a current community understanding of the appropriate way to use and enjoy our open spaces and trails.

The forum will start with a brief slideshow reviewing the goals of Lincoln’s 2017 Open Space and Recreation Plan and a summary of previous and current trail uses, with the goal of developing a trail use vision that is appropriate for Lincoln today. After the presentation, the public is encouraged to provide feedback and comments. We are seeking public input, so that we can incorporate the needs and desires of our residents and the community as a whole in developing an updated vision of our enjoyment and stewardship of Lincoln’s open spaces and trails.

If you are unable to attend the public forum, please submit any comments to the Conservation Department (conservation@lincolntown.org or 781-259-2612) by November 30, 2021.
