Tri-Town Youth Basketball Coach's Ethics Agreement

As a coach, I understand that I represent both my town and the league, and I am entrusted with creating a safe, positive, and meaningful experience for all players. I pledge to:

- Model respect, integrity, and good sportsmanship at all times, leading by example.
- Prioritize player safety, fun, learning, and personal growth over winning.
- Treat all players fairly, regardless of skill level, and support their individual development.
- Communicate with players, parents, officials, and league staff in a positive, friendly, and respectful manner.
- Cooperate with officials, fellow coaches, participants, parents, and spectators.
- Never physically, verbally, or emotionally harm, intimidate, or humiliate any participant, and never use profanity or inappropriate language.
- Respect all facilities, equipment, and the work of league coordinators and officials.
- Be knowledgeable of league rules and first aid principles, and share appropriate guidance with players and families.
- Use coaching methods suitable for the players' age, skill level, and the spirit of the league (learning and fun).
- Create an environment that emphasizes teamwork, effort, fair play, and enjoyment of the game.

By following this Coaches Ethics Agreement, I commit to upholding a high standard of coaching and ensuring a positive experience for every participant in Tri-Town Youth Basketball.
