

**Winter Tree & Shrub Identification Walk  
January 23 and 24, 2026  
Codman North, 9:30AM – 11:30AM  
Snow or Shine**

Join Conservation Department staff for a rousing winter walk through the woods as we talk about how to identify woody plants – no leaves necessary! This walk is about 2 miles through the woods and fields. Wear warm clothes (layers) and sturdy shoes.

Please leave pets at home, since our focus is on nature.

**Registration Required!**

Given the educational nature of identification walks, this walk is limited to 15 people. Please RSVP at <https://tinyurl.com/2026wintertree>. You may also RSVP by calling the Conservation Dept. at 781-259-2612 or email [Conservation@lincolntown.org](mailto:Conservation@lincolntown.org).

**Meeting location will be emailed to those who sign up.**
