

Please Save the Date
Town of Lincoln
State of the Town Meeting (SOTT)
Saturday morning, November 12, 2016
9:00 a.m. – 12:30 p.m.
Brooks School Auditorium

Please save the date and plan to join the Selectmen, various town boards, and your friends and neighbors for a lively discussion of the issues of the day. This year's SOTT agenda will include a discussion of roadway and traffic planning, a preview of contemplated accessory apartment and agricultural bylaws, an update on the feasibility of installing solar at the landfill and other town-owned sites, and an open forum during which attendees are welcome to ask questions or comment on any of the issues of the day. The SOTT is a wonderful Lincoln tradition that provides the opportunity for residents to help shape the decisions of their elected and appointed representatives. Please attend, participate and help keep the SOTT relevant.

Peter Braun, Chairman
Renel Fredriksen
James Craig
Board of Selectmen
