

ACTION PLAN ACCOMPLISHMENTS BETWEEN 2008 AND 2016

** Indicates mutual objective of 2008 Open Space & Recreation Plan and 2009 Comprehensive Plan

Goal: Preserve Lincoln's agricultural, recreational and natural resource values

**** Protect existing conservation land and open space from conversion (OS-1.1)**

| | 08-16 | Actions | Specific Accomplishments, Additional Actions & Notes |
|-------------------------------------|--------------|------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <input checked="" type="checkbox"/> | ongoing | Place back-up restrictions on deeded conservation land | 2010-VanLeer/Drumlin |
| <input checked="" type="checkbox"/> | 2009 | Provide injunctive relief clause on new CR's | Update CR language as needed |
| <input checked="" type="checkbox"/> | ongoing | Maintain compliance with bylaws and regulations | LUG meets every 2-3 weeks, LUCQ meets quarterly 2005-2015-Distributed 137 new homeowner packets 2010-Created 'Wetland Permitting & Land Use Permitting Guide' 2011-Drafted permit tracking form & contributed to MACC articles 2013-Converted wetland & conservation land files to new ID system 2014-Created 'Wetland Filing Database' & updated website 2015-Created 'Submission Checklist' & 'Required Tables' for filings |
| <input checked="" type="checkbox"/> | ongoing | Create new bylaws or regulations as appropriate | 2013-Enacted 'Groundwater Protection Bylaw' |
| <input checked="" type="checkbox"/> | ongoing | Secure deed restrictions to protect wetland buffer zone | 145-9-0, 186-5-0, 162-46-0, 132-32-0, 173-14-0, 132-33-0 |
| <input checked="" type="checkbox"/> | ongoing | Evaluate effectiveness of bylaws, regulations & policies to protect open space. Strengthen as appropriate. | 2010-Updated wetland regulations to clarify 'new lots' 2011-Added site-protection conditions to planning & building permits 2012-Replaced 'Flint's Pond Water Supply Protection Bylaw' |
| <input checked="" type="checkbox"/> | 2011 | Establish MOU for back-up holder of CR's | Signed on 10/19/11 - on file in Conservation Department |
| <input checked="" type="checkbox"/> | 2012 | Prioritize the creation & maintenance of GIS | 2012-Selectmen deemed "not a priority" |

**** Protect lands of conservation and recreation interest including: private farms, Chapter 61 lands, view corridors, buffers and scenic vistas, high-value water resources and/or natural communities, outstanding natural features and appropriate fields for recreation (OS-1.1)**

| | 08-16 | Actions | Specific Accomplishments, Additional Actions & Notes |
|-------------------------------------|--------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <input checked="" type="checkbox"/> | 2008-2015 | Implement Open Space & Recreation Plan | 2009-2012-Held OSRP Action Plan & Committee of Six meetings with Conservation, LLCT, RLF, Recreation, AgCom, Water, DPW & LUD. 2016-Prepared Open Space & Recreation Plan Update |
| <input checked="" type="checkbox"/> | 2008 | Mount an Open Space Plan in Town Offices | Available in Conservation Department & RLF/LLCT office |
| <input checked="" type="checkbox"/> | 08,11 | Distribute OSRP to boards & organizations | Distribute to new Board & Committee members as appropriate |
| <input checked="" type="checkbox"/> | ongoing | Protect critical buffers to new development | Continue to review subdivision & site plans for conservation interest |
| <input checked="" type="checkbox"/> | 2009-2010 | Work with Drumlin Farm, Farrington Memorial, Walden Woods, Historic New England, Concord & Cambridge to place CR's on unrestricted land. | 2009-Draft CR prepared by Angela 2010-Drumlin Farm & Boyce Field (44AC) |
| <input checked="" type="checkbox"/> | ongoing | Work with land owners to protect identified lands of conservation and/or recreation interest. Coordinate with local and regional conservation organizations to secure funding for protection as necessary. | CONSERVATION DEEDS 2008-85Y Fairhaven Hill Concord, 139-4-0, 146-20-0, 171-14-0 2009-168-5-0 : 2010-187-3-0 : 2012-127-15-0, 128-2-0 2013-142-5-0 : 2014-126-5-0, 129-3-0, 129-4-0 2015-164-12-0, 165-21-0 CONSERVATION RESTRICTIONS 2008-85Y Fairhaven Hill Concord, 128-2-0, 128-5-0, 139-3-0, 139-4-0, 140-26-0, 158-6-0, 169-34-0, 174-8-0, 174-24-0, 174-25-0, 175-7-0, 175-8-0 : 2010-134-18-0, 146-20-0, 169-6-0 : 2012-127-15-0 2013-178-3-0, 178-12-0 : 2015-111-12-0, 132-33-0, 143-3-0, |
| <input checked="" type="checkbox"/> | | Prioritize land with multiple interests | 2016-Landfill site for habitat meadow or solar, School Campus |
| <input checked="" type="checkbox"/> | annual | Obtain CPA funds to purchase lands of interest | CPA funds were used for most of the aforementioned projects |
| <input checked="" type="checkbox"/> | ongoing | Maintain open communication among conservation organizations and continuously explore funding, land acquisition or conservation/development opportunities | Continue Committee of Six meetings |
| <input checked="" type="checkbox"/> | 2012 | Provide incentives to farmers to place CR & APR's on private, non-protected agricultural land | 2010-178-12-0, 187-3-0, 187-13-0 (South Lincoln Farms) 2012-AgCom reviewed 'Protected & Unprotected Ag Lands' |

| | | | |
|-------------------------------------|-----------|------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------|
| <input checked="" type="checkbox"/> | 2012 | Provide incentives to preserve vistas, including but not limited to CR's, tax incentives, etc. | 2010 South Lincoln Farms (Drumlin & VanLeer) 2013-Current & Potential Agricultural Land Project |
| <input checked="" type="checkbox"/> | 2009-2010 | Develop guidelines for restoring rural roadside character | 2009-Stone Walls Brochure, 2010-Roadside Report & Brochure |
| <input checked="" type="checkbox"/> | ongoing | Encourage developers to submit conservation dev. plans | 2010-Groves/Commons, 2011-Apple Meadow Cluster |
| <input checked="" type="checkbox"/> | ongoing | Require buffers & setbacks for new development abutting existing conservation land | Encourage building envelopes & house restrictions 139-3-0, 143-29-0, 146-16-0, 182-7-0, 180-15-0, 143-3-0 |
| <input checked="" type="checkbox"/> | 2008 | Review criteria for evaluating lands of interest | See 2008 OSRP & 2016 OSRP Update |

** Explore opportunities for maintaining and expanding agriculture in Lincoln

| | 08-16 | Actions | Specific Accomplishments, Additional Actions & Notes |
|-------------------------------------|---------|------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------|
| <input checked="" type="checkbox"/> | 2008 | Form Agricultural Commission (AgCom) | 2008-AgCom formed |
| <input checked="" type="checkbox"/> | 2007 | Determine suitability for converting abandoned fields on existing conservation land into agricultural production | 2011-VanLeer (Sheep) : 2012-Codman (Alpacas), St. Anne's (Orchard) 2013-Crop rotation for soil health : 2016-Farm Meadow |
| <input checked="" type="checkbox"/> | 2008 | Obtain CPA funds to restore abandoned fields | 2013-CPA & Ag funds used to restore field edges & stone walls |
| <input checked="" type="checkbox"/> | ongoing | Support farmers to lease conservation fields | 2011-VanLeer (Sheep) : 2012-Codman (Alpacas), St. Anne's (Orchard) |
| <input checked="" type="checkbox"/> | annual | Continue agricultural licensing program | 2008-2015-AgSub conducts annual farm visits. Continue indefinitely 2013-Updated farm policy for stricter reporting & soil testing. |
| <input checked="" type="checkbox"/> | 2011 | Town meeting adoption of a Right-to-Farm Bylaw | 2011-Adopted Bylaw & created 'Farm Friendly Brochures' |
| <input checked="" type="checkbox"/> | 2011 | Provide raised garden beds at CCF Gardens | One bed currently available & being used |
| <input checked="" type="checkbox"/> | 2012 | Protected & Unprotected Ag Lands Project | 2012-Map & GIS data prepared by Angela, New Entry & AGCom Intern |

Goal: Promote active stewardship of existing agriculture and conservation land

** Maintain Property Baseline Inventory and Monitoring Program

| | 08-16 | Actions | Specific Accomplishments, Additional Actions & Notes |
|-------------------------------------|---------|--------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------|
| <input checked="" type="checkbox"/> | annual | Dedicate funds and staff to maintain program | Apply for CPA Funds for special projects |
| <input checked="" type="checkbox"/> | ongoing | Acquire legal records for new cons. acquisitions | 2015-Recorded TM articles authorizing land for conservation purposes |
| <input checked="" type="checkbox"/> | ongoing | Acquire legal records for trail easements | Found & updated records for 39 old trail easements. Created new records for 15 new trail easements & 1 new trail license. |
| <input checked="" type="checkbox"/> | ongoing | Add to and adapt Conservation Land Database | 2012-Simplified monitoring database |
| <input checked="" type="checkbox"/> | ongoing | Prepare Baseline Reports for new acquisitions | 2009-Grindlay 2012-South Lincoln Farms 2015-Commons |
| <input checked="" type="checkbox"/> | annual | Monitor all conservation properties annually | 2008-2015-Boundaries are walked annually. Continue indefinitely |
| <input checked="" type="checkbox"/> | annual | Resolve encroachment incidents when found | Typically yard waste. Tree clearing was resolved through permitting |
| <input checked="" type="checkbox"/> | 2011 | Continue landowner CR contact program | 2011-Increased outreach to owners. Annual letter mailed out |
| <input checked="" type="checkbox"/> | annual | Evaluate effectiveness of stewardship program | March/April – Annual Program Review Meeting |
| <input checked="" type="checkbox"/> | 2007 | Establish policies and processes for violations | See Enforcement Binder & P:/Conservation/STEWARDSHIP |

** Encourage best land management practices on town-owned & conservation land including: organic farming and field maintenance practices, natural resource & water quality protection, ecological woodlot management, scientifically sound mgmt of ponds & lake.

| | 08-16 | Actions | Specific Accomplishments, Additional Actions & Notes |
|-------------------------------------|---------|------------------------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <input checked="" type="checkbox"/> | 2008 | Review/revise field and forest mgmt. plans | On file in Conservation Department 2014-Installed dog poop signs |
| <input checked="" type="checkbox"/> | ongoing | Establish general management plans farm ponds, hemlock stands, and deer/deer ticks | On file in Conservation Department 2016-Installed deer exclosures & partnered on hemlock study |
| <input checked="" type="checkbox"/> | 2008 | Prepare a town-wide management map identifying each cons. area's resource values and strategies to manage | 2008-Trail Management Map 2009-Invasive species layers 2012-Cons Land Management GIS (trails, bridges, culverts, water bars) |
| <input checked="" type="checkbox"/> | 2009 | Create individual property management plans | Not necessary |
| <input checked="" type="checkbox"/> | ongoing | Collect and disseminate current scientific research on sound management for all types of conservation land | 2011-Continue brochures, new homeowner packets & programs 2011-Sent letter to contractors & held a contractor coffee 2012-AgCom adopted ConCom's farm management policies 2013-Ecological design & maintenance handbook, updated website 2015-Invasive species handbook, monarch brochure & seed packets 2016-Hemlock study, new pollinator meadow, COA lecture on BMP's |
| <input checked="" type="checkbox"/> | 2008 | Explore burning as a management tool | 2009-Burned in Tanner's Brook 2015-Study burn area @ Flint's Pond |

| | | | |
|-------------------------------------|-----------|---------------------------------------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------|
| <input checked="" type="checkbox"/> | 2009 | Explore use of CPA funds for land management | Not Feasible |
| <input checked="" type="checkbox"/> | 2008-2015 | Establish guidelines for the use of chemical pesticides & fertilizers on Town land. Develop a facilities mgmt. plan | 2008-Rec fields have IPM approach. Natural fertilizers applied annually 2013-Done through the updated farm policy |
| <input checked="" type="checkbox"/> | ongoing | Use monitoring data to inform management decisions | 2012-Cons Land Management GIS (trails, bridges, culverts, water bars) |
| <input checked="" type="checkbox"/> | annual | Monitor compliance with Ag. licenses annually | Ag SubCommittee reviews farm practices annually |
| <input checked="" type="checkbox"/> | ongoing | Evaluate effectiveness of management practices | 2011-New Land Manager 2014-Stewardship SubCommittee formed |

**** Acquire funds and resources for long-term land stewardship including trails and roadside paths.**

| | 08-16 | Actions | Specific Accomplishments, Additional Actions & Notes |
|-------------------------------------|---------|--------------------------------------------------------------------------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <input checked="" type="checkbox"/> | ongoing | Find grant opportunities for gaining resources | 2013-Received DCR RTP Trails Grant for \$9000 for trail bridges 2015-Received LLCT Grant for \$7500 for intern management 2015-Anonymous grant for \$5000 for pollinator meadow 2016-Apply for DCR RTP Trails Grant for \$18000 for trail rehab |
| <input checked="" type="checkbox"/> | ongoing | Coordinate with regional conservation organizations to secure funding and complete projects between cross-jurisdictional areas and/or town boundaries. | 2008-2016-Water Chestnut harvesting in Fairhaven Bay & beyond 2014-Received SuAsCo CISMA Grant for \$14000 for galerucella beetles 2015-Received SuAsCo CISMA Grant for \$21000 for galerucella beetles |
| <input checked="" type="checkbox"/> | 2008 | Institute stewardship fee for newly acquired CR's | 2008-Booth |
| <input checked="" type="checkbox"/> | 2015 | Research how conservation lands were acquired | 2015-Recorded TM articles authorizing land for conservation purposes |
| <input checked="" type="checkbox"/> | 2012 | Maintain and update trail & roadside path GIS | 2012-Cons Land Management GIS (trails, bridges, culverts, water bars) |

Goal: Foster recreational opportunities on recreational and conservation land

**** Encourage multiple and diverse uses on recreation and conservation land**

| | 08-16 | Actions | Specific Accomplishments, Additional Actions & Notes |
|-------------------------------------|-----------|----------------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <input checked="" type="checkbox"/> | ongoing | Address overuse of conservation land | 2006-Dog Leash Regulations |
| <input checked="" type="checkbox"/> | ongoing | Identify, then provide, opportunities for universal access to recreational lands and facilities | 2009-Harrington Trail 2010-Drumlin Farmyard Trail 2012-Drumlin Ice Pond Trail & Audio Guide |
| <input checked="" type="checkbox"/> | ongoing | Maintain trails suitable for multiple opportunities Maintain trails suitable for multiple user groups | 2010-Improved roadside path access to Drumlin 2011-Established a Roadside Path Study Committee 2013-GPS'd all trails in town for accuracy. Created a new trail map 2014-Established new trail junction marking system 2015-Purchased winch to remove hazards & paved parking lot aprons 2016-Secure DCR RTP grant for improving trail surface for users |
| <input checked="" type="checkbox"/> | ongoing | Preserve the natural atmosphere for trail users | 2010-Constructed a boardwalk & platform in wetland @ VanLeer 2011-Secured funding & design for boardwalk & platform @ schools 2012-Lighting guidelines : 2013-Leaf Blower Study Committee 2015-Built 4 granite benches for contemplating & views along trails |
| <input checked="" type="checkbox"/> | 2012-2015 | Ensure events & facilities are accessible | 2012-Town Office renovation makes offices & meetings accessible 2014-Crosswalk & wheelchair ramp installed at Bemis Hall for COA 2016-School campus renovation will make campus more accessible |
| <input checked="" type="checkbox"/> | 2011 | Provide raised garden beds at CCF Gardens | One bed currently available & being used |

**** Evaluate maintenance needs and expansion opportunities of road side path and trail network**

| | 08-16 | Actions | Specific Accomplishments, Additional Actions & Notes |
|-------------------------------------|---------|--------------------------------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <input checked="" type="checkbox"/> | ongoing | Acquire trail easements where no legal protection exists | 2008-139-3-0, 140-26-0, 169-34-0 2009-170-11-0, 174-15-0, 174-16-0, 174-17-0, 174-18-0 2010-187-2-0, 187-3-0 : 2012-173-46-0 : 2013-180-15-0 2015-111-12-0, 133-43-0, 133-44-0, 137-21-0, |
| <input checked="" type="checkbox"/> | ongoing | Include maintenance needs in monitoring reports | Done alongside monitoring for efficiency |
| <input checked="" type="checkbox"/> | ongoing | Respond to citizen ideas for roadside paths | 2011-Established a Roadside Path Study Committee |
| <input checked="" type="checkbox"/> | 2015 | Ensure pedestrian crossing with Rte. 2 expansion | 2015-New trail at Commons connects to sidewalk @ underpass |
| <input checked="" type="checkbox"/> | ongoing | Identify, protect and create new trails and roadside paths. Coordinate with residents & orgs. as appropriate | 2008-Harrington (ADA) Trail 2010-VanLeer Boardwalk 2011-Commons, Twin Pond, Food Project 2012-Farrar Rd trail 2014-Baker Bridge fields to Granville Rd, Codman north to Rte. 126 |

**** Provide new recreation facilities and maintain current facilities as appropriate**

| | 08-16 | Actions | Specific Accomplishments, Additional Actions & Notes |
|-------------------------------------|---------|------------------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------|
| <input checked="" type="checkbox"/> | 2015 | Establish a Subcommittee of the Disabilities Commission to review ADA status of rec facilities | 2015/2016-Ballfield Rd Campus Master Plan |
| <input checked="" type="checkbox"/> | 2015 | Evaluate condition and use of facilities | 2015/2016-Ballfield Rd Campus Master Plan & PRD Vendor |
| <input checked="" type="checkbox"/> | 2015 | Consider re-allocating uses on existing fields | 2015/2016-Ballfield Rd Campus Master Plan |
| <input checked="" type="checkbox"/> | 2015 | Identify need for new recreation facilities and/or activities | 2015/2016-Ballfield Rd Campus Master Plan 2015-Multi-sport Court funded and awaiting permitting |
| <input checked="" type="checkbox"/> | 2015 | Explore plans for new facilities | 2015/2016-Ballfield Rd Campus Master Plan, Community Center Study |
| <input checked="" type="checkbox"/> | ongoing | Maintain water quality in swimming ponds | Pond management through wetlands permitting |
| <input checked="" type="checkbox"/> | ongoing | Use best management practices to balance pond ecosystems with water-based recreation | Pond management through wetlands permitting |

Goal: Foster coordination, education and outreach regionally and locally

Coordinate with boards and organizations to promote current goals

| | 08-16 | Actions | Specific Accomplishments, Additional Actions & Notes |
|-------------------------------------|-------|-----------------------------------------------|------------------------------------------------------------------|
| <input checked="" type="checkbox"/> | 08,11 | Distribute Action Plan to all boards and orgs | 3/11-Sent to ConCom, CPIC, Chris Reilly |
| <input checked="" type="checkbox"/> | | Follow-up on implementation | Reviewed action items quarterly w/ town boards and organizations |

Partner with regional organizations to promote conservation and recreation goals.

Encourage more recreation in Town

| | 08-16 | Actions | Specific Accomplishments, Additional Actions & Notes |
|-------------------------------------|---------|------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <input checked="" type="checkbox"/> | ongoing | Identify individual contacts and allies | 2009-Contractor contact list 2010-Regional org. contact list |
| <input checked="" type="checkbox"/> | ongoing | Participate in area outreach activities Sponsor multi-media presentations | 2009-Kids in Nature : 2008-2012-GIS presentations. LLCT Annual Mtg. 2012-Online Mapping Video Tutorial : 2008-2015-School Programs |
| <input checked="" type="checkbox"/> | 2010 | Re-evaluate Lincolns role in the metrowest region | 2013-Coordinated w/ Concord on Town Boundary & trail maintenance |
| <input checked="" type="checkbox"/> | ongoing | Sponsor public activities year-round Create outings that appeal to all age groups Work with special-interest groups on conservation land | walks & talks, workshops & presentations, winter carnival, garlic mustard pull, amphibian migration, invasives removal & projects w/ school groups, road race, pollinator garden, farmers market |

Foster a long-term stewardship ethic among all property owners in Town including: water conservation measures, ecological landscaping practices, and energy and resource conservation

| | 08-16 | Actions | Specific Accomplishments, Additional Actions & Notes |
|-------------------------------------|----------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <input checked="" type="checkbox"/> | ongoing | Develop guidelines for BMP's of public property | 2011-Facilities Manager was hired to oversee & plan for maintenance needs of all Town Buildings. 2016-Ballfield Rd Campus Master Plan |
| <input checked="" type="checkbox"/> | ongoing | Continue street sweeping & catch basin cleaning | |
| <input checked="" type="checkbox"/> | ongoing | Continue to be a conservation community | TTOR, AMC, Bay Circuit Alliance, MLTC, MACC, MAPC, MSMCP |
| <input checked="" type="checkbox"/> | 2012 | Investigate state, national and global initiatives and educate about Dark Skies and Green Cities Initiatives | 2012-Established lighting guidelines : 2014-Revised lighting guidelines 2010-2016-GTEC is working on solar installations. Green Town. |
| <input checked="" type="checkbox"/> | ongoing month annual | Prepare outreach materials (website, mailings, brochures, lecture series, etc.) for residents & contractors about Lincoln's ecological stewardship, energy conservation & development practices. Use the internet for networking | 2007-2015-New Homeowner Packets. Updated brochures & forms 2009-Invasive species website, GIS website, lecture series 2010-Green building display, lecture series : 2011-Contractor letter 2012-GIS Mapping Video Tutorial : 2013-Ecological Design Guide |
| <input checked="" type="checkbox"/> | 2012 NPDES | Develop lawn-irrigation and construction-site bylaws that require best management practices | 2011-NOFA Organic Lawn Booklet. Brochures & contractor coffee's 2013-Ecological Design, Construction & Maintenance Handbook |
| <input checked="" type="checkbox"/> | ongoing | Establish public-private partnerships to complete town-wide stewardship projects. | Invasive work days, garlic mustard pull, amphibian migration, trail improvement for road race, pollinator garden, Kids in Nature, Nature of Lincoln, beetle rearing, VanLeer boardwalk, photo contest |

Continue to develop and retain professional and highly competent staff

| | 08-16 | Actions | Specific Accomplishments, Additional Actions & Notes |
|-------------------------------------|---------|-------------------------------------------------|------------------------------------------------------------|
| <input checked="" type="checkbox"/> | ongoing | Provide competitive pay and benefits | 2010/2016-Land Use Director : 2016-GIS staff or consultant |
| <input checked="" type="checkbox"/> | ongoing | Continue to provide a supportive environment | LUCQ, LUG |
| <input checked="" type="checkbox"/> | ongoing | Support Staff & Commission in prof. development | |

2009 COMPREHENSIVE PLAN – 5-YEAR ACTION PLAN *(action items which are different from the OSRP are listed below. See above for status)*

OS-3.2 Maintain and evaluate opportunities to expand the roadside path and trail network

| | | | |
|-------------------------------------|--|-------------------------------------------|-----------------------------------------------------------------|
| <input checked="" type="checkbox"/> | | Develop a roadside-path maintenance plan | 2009-Draft Roadside Management Plan. Stormwater Management Plan |
| <input checked="" type="checkbox"/> | | Provide funding to maintain & build paths | 2011-Food Project 2012-Rte.126 to Walden |

OS-3.3 Maintain current recreation facilities and provide new facilities to meet evolving needs

| | | | |
|-------------------------------------|------|-------------------------------------------------|--|
| <input checked="" type="checkbox"/> | 2011 | Develop a long-range rec facilities master plan | |
|-------------------------------------|------|-------------------------------------------------|--|

NR-1.3 Establish policies and regulations for water use – both voluntary and mandatory – in order to conserve water and bring Lincoln in line with the state’s water use guidelines

| | | | |
|-------------------------------------|------|--------------------------------------------------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------|
| <input checked="" type="checkbox"/> | 2010 | Review user fee structure & explore incentives to reduce residential water consumption. | 2010-Outdoor water-use restrictions |
| <input checked="" type="checkbox"/> | 2012 | Wherever possible, promote more compact development that consumes less water by design. | Site Plan Review, Wetlands Permitting 2013-Ecological Design, Construction & Maintenance Handbook |
| <input checked="" type="checkbox"/> | 2012 | Adopt landscaping guidelines that promote or require drought-resistant plantings and reduce turf cover for all types of development. | 2008-Included in Site Plan & Wetlands conditions 2013-Ecological Design, Construction & Maintenance Handbook |

NR-1.4 Develop property management plans to protect conservation land and habitat areas

| | | | |
|-------------------------------------|---------|--------------------------------------------------------------------------------------------------------------------------------|--------------------------------------------------------------------|
| <input checked="" type="checkbox"/> | ongoing | Fund the Conservation Commission’s baseline inventory and stewardship programs at a level sufficient to prepare property plans | Need additional funds to complete conservation land property plans |
|-------------------------------------|---------|--------------------------------------------------------------------------------------------------------------------------------|--------------------------------------------------------------------|

NR-1.5 Encourage or require best management practices for soil and water conservation on all construction projects in Lincoln, including agricultural lands to the extent allowed by law

| | | | |
|-------------------------------------|------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------|
| <input checked="" type="checkbox"/> | 2011 | Evaluate preferred option(s) against the town’s existing regulations for subdivision control, site plan approval and wetlands permits, as well as the state’s most recent version of the Stormwater Handbook | 2011-Implemented Permit Review Checklist, PB Regs Updated NPDES Compliance |
| <input checked="" type="checkbox"/> | 2013 | Propose a land clearing and grading or comparable best management practices bylaw for adoption by Town Meeting | 2013-Ecological Management Handbook (instead of Bylaw) NPDES Compliance |

NR-3.3 Identify and evaluate the town’s options for regulating chemical and sediment pollution of private and public water supplies and establishing local standards for the use of chemical pesticides, herbicides, and fertilizers, to the extent allowed by law

| | | | |
|-------------------------------------|--|------------------------------------------|------------------------------------------------------------------------------------------------------|
| <input checked="" type="checkbox"/> | | Consult with Town Counsel about options. | 2010- Staff Workshop on compliance & enforcement BMP’s 2012-Surface Water Supply Protection Bylaw |
|-------------------------------------|--|------------------------------------------|------------------------------------------------------------------------------------------------------|

NR-4.2 Ensure consistency between Lincoln’s land use policies and water resource protection laws that affect the amount of water Lincoln can withdraw from surface water and groundwater supplies

| | | | |
|-------------------------------------|-------|-----------------------------------------------|---------------------------------------------------------------|
| <input checked="" type="checkbox"/> | 2010 | Ensure that Lincoln has water to meet growth. | 2010-Outdoor water-use restrictions. Fines for non-compliance |
| <input checked="" type="checkbox"/> | NPDES | Implement Recommendation NR-1.3 | See NR-1.3 |

TC-2.2 Explore feasibility of expanding bike access to the trails in coordination with the Con Com

| | | | |
|-------------------------------------|------|-----------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------|
| <input checked="" type="checkbox"/> | 2008 | Identify areas where bicycle stands can be located. Seek funding for acquisition. | 2008-Stands installed at Mt. Misery, Town Hall, Library, Lincoln Station. Coordinate with ConCom as needed |
|-------------------------------------|------|-----------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------|
