

Blue Choice[®] New England Plan 2

This health plan meets Minimum Creditable Coverage Standards for Massachusetts residents that went into effect January 1, 2014, as part of the Massachusetts Health Care Reform Law.

Your Care

Your Primary Care Provider (PCP)

When you enroll in this health plan, you choose a primary care provider (PCP) for you and each member of your family. There are a few ways to find a PCP: visit the Blue Cross Blue Shield of Massachusetts website at www.bluecrossma.com; consult the Provider Directory; or call the Physician Selection Service at 1-800-821-1388. If you have trouble choosing a doctor, the Physician Selection Service can help. They can give you the doctor's gender, the medical school she or he attended, and whether there are languages other than English spoken in the office.

Your PCP is the first person you call when you need routine or sick care. If your PCP decides that you need to see a specialist for covered services, your PCP will refer you to an appropriate network specialist who is likely affiliated with your PCP's hospital or medical group. Your provider may also work with Blue Cross Blue Shield of Massachusetts regarding the Utilization Review Requirements including Pre-Admission Review, Concurrent Review and Discharge Planning, Prior Approval for Certain Outpatient Services, and Individual Case Management. For detailed information about Utilization Review, see your benefit description.

When You Choose to Receive Care on Your Own (Self-Referred)

You have the freedom to seek care without seeing your PCP first. When you seek care on your own from a participating provider, your out-of-pocket cost will be greater. If you require hospitalization, you, or someone on your behalf, will need to call us before you're admitted to make sure that you're covered.

You must pay a calendar-year deductible before benefits are provided. The calendar-year deductible begins on January 1 and ends on December 31 of each year. The deductible is **\$250** per member (or **\$500** per family).

Your Out-of-Pocket Maximum

Your out-of-pocket maximum is the most that you could pay during a calendar year for deductible, copayments, and coinsurance for covered services. Your out-of-pocket maximum for medical benefits is **\$2,500** per member (or **\$5,000** per family) for PCP/plan-approved and self-referred services combined. Your out-of-pocket maximum for prescription drug benefits is **\$1,000** per member (or **\$2,000** per family).

Emergency Room Services

In an emergency, such as a suspected heart attack, stroke, or poisoning, you should go directly to the nearest medical facility or call **911** (or the local emergency phone number). You pay a copayment per visit for emergency room services. This copayment is waived if you are admitted to the hospital or for an observation stay. See the chart for your cost share.

Service Area

The plan's service area includes all cities and towns in the Commonwealth of Massachusetts, State of Rhode Island, State of Vermont, State of Connecticut, State of New Hampshire, and State of Maine.

When Outside the Service Area

If you're traveling outside the plan's service area and you need urgent or emergency care, you should go to the nearest appropriate health care facility. You are covered for the urgent or emergency care visit and one follow-up visit while outside the service area. To receive the highest level of benefits, any additional follow-up care must be arranged by your PCP.

Dependent Benefits

This plan covers dependents until the end of the calendar month in which they turn age 26, regardless of their financial dependency, student status, or employment status. See your benefit description (and riders, if any) for exact coverage details.
