

**Town of Lincoln
Conservation Department**
16 Lincoln Road
Lincoln, MA 01773
781-259-2612

**Request to Perform
Invasives Clearing Work in
the Wetland Buffer Zone**

Considering invasive species control on your property? The Town of Lincoln Conservation Department encourages residents' efforts to control invasives, but you should be aware of wetland resource areas on your property. Wetland resources and their surrounding 100ft upland buffer resource areas are regulated by the Conservation Commission. Any potential alteration to these areas must be reviewed and approved by the Conservation Commission before work commences. Approximate wetland resource locations can be viewed on the Town GIS website:

<https://www.axisgis.com/LincolnMA/>

Control of invasive species, though ecologically valuable, must still be reviewed by Conservation Department staff if taking place in wetland or buffer resources. Please fill out this form and work with staff to develop a good long-term strategy for invasive species control and restoration of a healthy habitat. Our Conservation staff are happy to visit your property to assess invasive species and recommend solutions.

A. General Information

1. Property Owner / Project Location:

_____	_____	_____
a. First Name	b. Last Name	c. Street Address
_____	_____	_____
d. Assessors Map Number	e. Parcel/Lot Number	

f. Mailing Address (if different from above)		

_____	_____	_____
g. Phone Number	i. Email Address	

2. Representative (if any):

_____	_____
a. Contact Person First Name	b. Contact Person Last Name

c. Mailing Address	

_____	_____
d. Phone Number	f. Email Address

3. Project Description (include species and proposed method(s) of control and restoration):

4. Closest distance between proposed work and wetland or stream:	_____
	Linear Feet
5. Total area of proposed project:	_____
	Square Feet
6. Site visit conducted with conservation staff:	_____
	Date

7. Proposed date(s) of work: _____
Date(s)
8. Is the use of chemicals proposed? _____
Yes/No
9. Photos of existing conditions attached (photos must also be submitted after project is complete): _____
Yes/No

B. Plans

1. Sketch of proposed work area (include approx. wetland and/or stream boundaries and invasives to be removed):

2. Restoration plan (include plant species, size and approx. location):

C. Signatures and Submittal Requirements

I hereby certify that the foregoing Request to Perform Invasives Clearing Work and accompanying plans, documents, and supporting data are true and complete to the best of my knowledge.
