POLICY: CATEGORY: SCHOOL COMMITTEE FILE NUMBER: 2.10TOPICS DISTRICT AGREEMENT**~~AGREEMENT WITH RESPECT TO THE ESTABLISHMENT OF A
TECHNICAL AND VOCATIONAL REGIONAL SCHOOL DISTRICT~~**

This Agreement is entered into pursuant to Chapter 71 of the General Laws of Massachusetts, as amended, among the towns of Acton, Arlington, Belmont, Boxborough, Carlisle, Concord, Lexington, Lincoln, Stow, Sudbury, Wayland, and Weston, and, in accordance with the provisions of Section VIII, such of the Towns of Bolton, Dover, Lancaster, and Needham as shall accept its provisions, hereinafter sometimes referred to as member towns. (Amendment #2 2/20/79). In consideration of the mutual promises herein contained, it is hereby agreed as follows:

SECTION I: THE REGIONAL DISTRICT SCHOOL COMMITTEE**(A) Composition**

The Regional School Committee, hereinafter sometimes referred to as "the Committee," shall consist of one member from each member city or town (the term "city" and the term "town" will hereinafter be referred to jointly as "community"). The members of the Committee shall be appointed as hereinafter provided. All members will serve until their respective successors are appointed and qualified.

(B) Staggering of Terms

The terms of office shall begin on July 1 and shall be for three years. In order to have approximately one third of the terms of office expire at the end of each year, the initial term of office of a Committee member representing a newly admitted community may be for shorter than three years, said determination to be made by vote of the Committee (or by lot, if there is more than one community being newly admitted at the same time).

(B) Initial Committee

The existing Committee will continue to function as such until July 1, _____. At any time following the approval of this Revised Agreement by the member communities and by the Commissioner of Education, the Moderator (or Mayor) of each member community shall appoint an individual to serve as a member of the Regional School Committee. These "Initial Committee" appointees will take office on July 1, _____, and the length of their initial terms shall be as follows:

1. _____ Initial three year term: Arlington, Acton, Wayland, Bolton, and Stow.

2. ~~Initial two year term: Lexington, Weston, Dover, Carlisle, and Concord.~~

3. ~~Initial one year term: Needham, Belmont, Sudbury, Lancaster, Lincoln, and Boxborough.~~

(C) Appointing Authority

Members who have been appointed to the School Committee by their respective Town Moderators prior to the July 1 date on which this amended language becomes effective shall serve out the remaining one, two or three years of their term. Beginning on the July 1 when this amended language becomes effective, each member shall thereafter be appointed by vote of the Board of Selectmen of that town (or by the Mayor in the case of a city), except that in the case of a town, the town may by bylaw or charter provide for appointment of that community's member by the Moderator. The language of the preceding sentence will also apply to any community newly admitted to the District whose membership in the District commences on or after the July 1 effective date of this amended language.

(D) Subsequent Terms of Office

Just prior to the conclusion of the initial terms spoken of in the subsection (B) above, the Appointing Authority of the member community will appoint a member of the Regional School Committee to serve a three year term beginning on July 1.

(E) Vacancies

Should a vacancy occur on the Regional School Committee for any reason, the unexpired term will be filled within sixty (60) days by the Appointing Authority of the community having the vacancy.

(F) Organization

At the first meeting of the Regional School Committee held after July 1, the Committee shall organize and choose a Chairman and a Vice-Chairman from among its membership and will choose a Secretary, who may or may not be from among its membership.

(G) Power and Duties

The Committee shall have all the powers and duties conferred and imposed upon school committees by law and conferred and imposed upon it by this Agreement, and such other additional powers and duties as are specified in Section 16 to 16I, inclusive, of Chapter 71 of the General Laws and any amendments or additions thereto now or hereafter enacted, or as may be specified in any other applicable general or special law.

(H) Weighted Voting

Each member of the Regional School Committee will exercise a weighted vote, rounded to the nearest hundredth of a percent, which will be calculated and established as of July 1 of each year as follows. The first half of the weighted vote for all of the member communities will be the same. (For example, if hypothetically there were 16 member communities, then the first half of each member's weighted vote will be 1/16 of 50%, which would be 3.125%. The second half of each member community's weighted vote will be computed as follows. Based on the official October 1 student enrollment figures as determined by the Department of Elementary and Secondary Education ("DESE"), or its successor agency, a four year "rolling average" of the school's enrollment from member communities, using the most recent year's October 1 enrollment figures and those from the three preceding years, will be established. Using the same methodology, each member community's average percentage of student enrollment from all of the member communities for

that period, rounded to the nearest hundredth of a percent, will be established and will be used as the second half of that member community's weighted vote to become effective on the following July 1. (For example, if over the four year period a member community supplied an average of 8.67% of the school's enrollment from all of the member communities, then, beginning on the following July 1 and extending for the next year, the second half of that member community's weighted vote would be 8.67% of 50%, which would be 4.335%). The two halves will then be added together, and rounded to the nearest hundredth of a percent, to establish that community's total weighted vote. (For example, using the hypotheticals expressed above in this paragraph, the hypothetical community's total weighted vote as of the July 1 in question would be 3.125% plus 4.335%, which would add to 7.46%. Assuming that a quorum as defined in subsection (I) below is present, and except for a vote to approve the annual budget, to incur debt, or to approve an amendment to this Agreement, a combined total of weighted votes amounting to over 50% of the weighted votes present shall constitute majority approval.

In order to approve the District's annual budget, a combined total of weighted votes equal to or exceeding 66.67% of the weighted vote of the entire Committee (i.e., not merely two thirds of the weighted vote of those present) shall be required.

In order to incur debt, a two-thirds (2/3) vote of all of the members of the Regional School Committee, without regard for the weight of the vote, shall be required. In order to approve an amendment to this Agreement, a three-fourths (3/4) vote of all of the members of the Regional School Committee, without regard for the weight of the vote, shall be required.

(I) Quorum

A majority of the total number of members of the Regional School Committee (regardless of the weighted votes) shall constitute a quorum. A quorum is necessary for the transaction of business, but an assemblage less than a quorum may adjourn a meeting.

~~(A) Composition~~

~~The regional district school Committee, hereinafter sometimes referred to as the Committee, shall consist of one member from each member town. The members of the Committee shall be appointed as hereinafter provided. All members shall serve until their respective successors are appointed and qualified.~~

~~(B) Initial Committee~~

~~Within ten days after the establishment of the regional school district, the moderator of each member town shall appoint one member to serve on the Committee, each of whom shall have been a member~~

~~of the regional school district planning board which submitted this agreement if such person is~~

~~available and willing to serve. The twelve members so appointed shall serve on the Committee until their respective successors are appointed and qualified as provided in subsection 1 (C).~~

~~(C) Appointed Members~~

~~On or before April 1, 1972, the moderators of such of the towns of Acton, Arlington, Boxborough and~~

~~Carlisle as shall become members of the District pursuant to Section XII shall each appoint one member to serve on the committee for a term of one year; the moderators of such of the towns of Belmont, Concord, Lincoln, and Sudbury as shall become members of the District pursuant to Section XII shall each appoint one member to serve on the Committee for a term of two years; and the moderators of such of the towns of Lexington, Stow, Wayland, and Weston as shall become members of the District pursuant to Section XII shall each appoint one member to serve on the Committee for a term of three years.~~

The moderator of each town that shall be admitted to the District pursuant to Section VIII of this Agreement shall, prior to the date on which admission takes effect, appoint one member to serve on the Committee beginning on such date for a term of three years, or for such shorter term, as may be necessary to retain symmetry of terms on the Committee as a whole. Prior to the date on which the admission of one or more new member towns is to become effective, the Committee shall determine (by lot, if there is more than one such town) the initial term of the member appointed by the moderator of each such town, unless such initial term is specified in this Agreement. In every year in which the term of office of a member expires, the moderators of the respective member towns shall each appoint one member to serve for a term of three years. The term of each member of the Committee shall commence on July 1 of the year in which he or she is appointed.

~~Amendment #2 2/20/79 — Amendment #3 10/7/80~~

~~(D) — Vacancies~~

If a vacancy occurs among the members appointed by the moderator under subsection 1(B), the moderator of the town involved shall within thirty days after such vacancy occurs appoint a member to serve until his successor is appointed and qualified as provided in subsection 1(C). If a vacancy occurs among the members appointed under subsection 1(C), the moderator of the member town involved shall appoint a member to serve for the balance of the unexpired term, if any.

~~(E) — Organization~~

Annually, on a date specified in the by-laws of the District, the Committee shall organize and choose by ballot a chairman and a vice chairman from among its own membership.

~~(F) — Power and Duties~~

The Committee shall have all the powers and duties conferred and imposed upon school committees by law and conferred and imposed upon it by this agreement, and such other additional powers and duties as are specified in Section 16 to 16-1, inclusive, of Chapter 71 of the General Laws and any amendments thereof or additions thereto now or hereafter enacted, or as may be specified in any other applicable general or special law.

~~(G) — Quorum~~

The quorum for the transaction of business shall be a majority of the Committee, but a number less than the majority may adjourn.

SECTION II TYPE OF REGIONAL SCHOOL DISTRICT

The regional district school shall be a technical and vocational high school consisting of grades nine through twelve, inclusive. The Committee is also hereby authorized to establish and maintain such kinds of education, acting as trustees therefore, as may be provided by communities towns under the provisions of Chapter 74 of the General Laws and acts amendatory thereof, in addition thereto or dependent thereon, including courses beyond the secondary school level in accordance with the provisions of Section 37A of said Chapter 74.

SECTION III LOCATION OF THE REGIONAL DISTRICT SCHOOL

The regional district school shall be located within the geographical limits of the District, and within a radius of 5 miles from the intersection of Route 2 and Bedford Road which intersection is in the town of Lincoln.

SECTION IV APPORTIONMENT AND PAYMENT OF COSTS

(A) Classification of Costs

For the purpose of apportioning assessments levied by the District against the member ~~communities~~~~towns~~, costs shall be divided into two categories: capital costs and operating costs.

(B) Capital Costs

Capital costs shall include all expenses in the nature of capital outlay such as the cost of acquiring land, the cost of constructing, reconstructing, or adding to a school building or buildings, the cost of remodeling or making extraordinary repairs to a school building or buildings, the cost of constructing sewerage systems and sewerage treatment and disposal facilities or the cost of the purchase or use of such systems with a municipality, and any other item of capital outlay for which a regional school district may be authorized to borrow, or which could be categorized as a capital expense in conformance with applicable law and regulation, including without limitation ~~of~~ the cost of original equipment and furnishings for such school buildings or additions, plans, architects' and consultants' fees, grading and other costs incidental to placing school buildings and additions, sewerage systems and sewerage treatment and disposal facilities, and any premises related to the foregoing in operating condition. Capital costs shall also include payment of principal of and interest on bonds, notes and other obligations issued by the District to finance capital costs.

(C) Operating Costs

Operating costs shall include all costs not included in capital costs as defined in subsection IV (B), but including interest on temporary notes issued by the District in anticipation of revenue.

(D) Apportionment of Capital Costs

1. The following method will be used for apportioning capital costs incurred prior to July 1, 2014:

After first deducting any other sources of revenue that are appropriately applied against capital costs, ~~Capital costs shall be annually apportioned to the member towns which were members of the District as of June 30, 2014 annually for the~~ ensuing fiscal year in the following manner. Each member town's share of capital costs for each fiscal year shall be determined by computing the ratio which the town's pupil enrollment in the regional district school on October 1 of the fiscal year next preceding the fiscal year for which the apportionment is determined bears to the total pupil enrollment from all the member towns on the said date, except that if there is an enrollment of fewer~~less~~ than five pupils from any member town in the regional district school on said date, such member town shall be deemed to have an enrollment of five pupils in the regional district school. For the purpose of this subsection, in computing this apportionment the persons enrolled in courses or programs~~"persons"~~ referred to in subsection IV (F) shall not be included. ~~Notwithstanding the foregoing, in the event that there is no enrollment in the regional district school from all the member towns on October 1 of any such year, capital costs shall be apportioned on the basis of enrollment in grades nine through twelve of pupils residing in each member town and receiving education at such town's expense on October 1 of such year. Capital costs represented by debt service shall be apportioned as a capital cost of the fiscal year in which the debt service falls due.~~

2. The following method will be used for apportioning capital costs incurred on or after July 1 2014:

After first deducting any other sources of revenue that are appropriately applied against capital costs, capital costs which are incurred on or after July 1, 2014 shall be apportioned to the member communities annually for the ensuing fiscal year in the following manner (for illustration purposes only, examples of these calculations appear in Appendix A.)

- a. Fifty percent (50%) of the capital costs will be apportioned to each of the member communities by computing the ratio which that community's pupil enrollment in the regional district school, using a rolling average based on the four (4) most recent annual October 1 enrollment figures, bears to total pupil enrollment in the regional district school from member communities, using a rolling average based on the four (4) most recent annual October 1 enrollment figures, except that if there were an enrollment of fewer than five (5) pupils from any member community in the regional district school on any of the four (4) most recent October 1 dates, such member community will be deemed to have had an enrollment of five (5) pupils in the regional district school on said date.
- b. An additional one percent (1%) of these costs will be apportioned to each of the member communities regardless of student enrollment.
- c. The balance of these costs will be apportioned by applying DESE's combined effort yield (a measure of a community's ability to pay for education using property values and household incomes) to the percentage of each community's students (as defined by foundation enrollment) that are enrolled at Minuteman. The specific calculation is as follows:
 - Each member community's pupil enrollment in the regional district school, using a rolling average based on the four (4) most recent annual October 1 enrollment figures, including the five (5) pupil minimum spoken of in 2,a above, will be identified.
 - This average regional enrollment figure for each member community will be compared to that community's most recent October 1 "foundation enrollment" figure (determined by DESE), and the percentage of that community's most recent foundation enrollment figure which is comprised of that town's average regional enrollment figure will be computed.
 - This percentage amount will be multiplied by the lesser of the "combined effort yield" or 100% of the "foundation budget" (using the most recent "final" numbers determined by DESE) for that community, resulting in a number to be called "combined effort yield at Minuteman".
 - The numbers representing each community's "combined effort yield at Minuteman" will be totaled, and each community's percentage of that total (this percentage to be called "combined effort capital assessment share") will be computed.
 - Each community's "combined effort capital assessment share" will be used to calculate the apportionment of the capital costs under this paragraph. (An

example of the calculations described in this paragraph is found in the chart headed "Calculation Factor – Ch. 70 Combined Effort Capital Allocation" appearing on page 2 of Appendix A.)

In the event that changes occur at the state level in either the terminology or the calculation formulas that lie behind the terms used in this paragraph, the Committee will use a calculation approach which replicates the apportionment outcomes that would result from this paragraph if the terms of this paragraph were applied as of the effective date of this Regional Agreement.

(E) Apportionment of Operating Costs

The District will utilize the statutory method in the apportionment of operating costs. Pursuant to this method, the District will deduct from operating costs the total of any revenue from Chapter 70 state aid, Chapter 71 Regional Transportation Reimbursement, and any other revenue as determined by the Regional School Committee. The balance of all operating costs, except those described in subsection IV,F below, shall be apportioned to each member community as follows. Each member community's share of operating costs will be the sum of the following: (a) the member's required local contribution to the District as determined by the Commissioner of Elementary and Secondary Education (hereinafter "the Commissioner"); (b) the member's share of that portion of the District's net school spending, as defined by G.L. chapter 70, section 2, that exceeds the total of the required local contributions for all of the members; and (c) the member's share of costs for transportation and all other expenditures (exclusive of capital costs as defined in subsection IV,(B) above) that are not included in the District's net school spending. A member's share of (b) and (c) above will be calculated by computing the ratio which that member's pupil enrollment in the regional district school, using a rolling average based on the four (4) most recent annual October 1 enrollment figures, bears to the total pupil enrollment in the regional district school from member communities, using a rolling average based on the four (4) most recent annual October 1 enrollment figures.

~~All operating costs, except those described in subsection IV(F), for the first fiscal year next following the establishment of the regional school district, and for every fiscal year thereafter, shall be apportioned to the member towns on the basis of each town's respective pupil enrollment in the regional district school. Each member town's share for each fiscal year shall be determined by computing the ratio which that member town's pupil enrollment in the regional district school on October 1 of the fiscal year next preceding the fiscal year for which the apportionment is determined bears to the total pupil enrollment in the regional school from all the member towns on the same date. In computing this apportionment the pupil hours referred to in subsection IV(F) shall be excluded. In the event that enrollment of pupils in the regional district school has not been accomplished by October 1 of any year, operating costs shall be apportioned on the basis of enrollment in grades nine through twelve of pupils residing in each member town and receiving education at such town's expense on October 1 of such year.~~

(F) Special Operating Costs

The Committee shall determine the operating costs for each fiscal year for any courses or programs which are offered by the District to persons other than secondary students attending the regular day regional vocational school. Each member's community's share of such special operating costs shall be apportioned by identifying each member's community's enrollment

and/or participation rate in said courses or programs as compared to the overall enrollment and/or participation rate in said courses or programs. Normally said share shall be paid by the members as a special assessment in the fiscal year following the year of the course or program offering, although exceptions may be made whereby the payment will be made during the fiscal year of the course or program offering.

~~The Committee shall determine the operating costs for each fiscal year of any evening trade extension courses or any other types of courses which are offered by the District to persons other than the pupils attending the regular day regional vocational school. Each member town's share of such operating costs shall be determined by computing the ratio which that town's enrollment of pupil hours in such courses on November 1 of the fiscal year next preceding the fiscal year for which the apportionment is determined bears to the total enrollment of pupil hours in such courses from all the member towns on the same date. In the event that enrollment of pupil hours in such courses on November 1 of the fiscal year next preceding the fiscal year for which the apportionment is determined bears to the total enrollment of pupil hours in such courses from all the member towns on the same date. In the event that enrollment of pupil hours in such courses has not been accomplished by November 1 of any year, such operating costs shall be apportioned on the basis of enrollment in grades nine through twelve of pupils residing in each member town and receiving education at such towns expense on October 1 of such year.~~

(G) Times of Payment of Apportioned Costs

Each member town shall pay to the District in each fiscal year its proportionate share, certified as provided in subsection V(B)V(C), of the capital and operating costs. Except as otherwise provided in subsection V(A) or in Section XI, ~~t~~The annual share of each member town community shall be paid in such amounts and at such times that at least the following percentages of such annual share shall be paid on or before the dates indicated, respectively:

September 1	25%
December 1	60%
March 1	75%
May 1	100%

(H) Apportionment of Costs to New Members Towns

1. The share of operating costs which will be paid by a new member community will be determined consistent with subsection IV(E) except that, for purposes of calculating that community's four (4) year rolling average of pupil enrollment, the number of "out of district" students from that community which were enrolled in the regional district school during each of the applicable four (4) years will be regarded as that community's "pupil enrollment" during those years for purposes of this calculation.
2. The Regional School Committee, prior to the admittance of a new member community, will have the option of negotiating a phase in of the amount of capital costs which will be assessed to that new member community during the first three years of membership in the District. Beginning no later than the fourth year of membership and thereafter, however, the new member community will be assessed

the full capital cost apportionment that will result from an application of subsection IV(D).

~~Except as otherwise provided in this subsection, capital costs and operating costs shall be apportioned in accordance with subsections IV(D), (E), and (F) to towns admitted to the District pursuant to the provisions of section VIII. In the first fiscal year in which the admission of a new member town is effective, the town shall pay as its share of the capital costs and operating costs for such fiscal year, an amount equal to what the town would pay if the pupils from the town enrolled in the regional district school were tuition pupils. After the first fiscal year in which the admission of a new member town is effective, the town's share of capital costs and operating costs shall be determined in accordance with section IV of this Agreement except that such share shall not include any capital costs on account of the bonds issued by the district dated March 1, 1973 and March 1, 1974. However, commencing in the second fiscal year in which such town is a member and continuing through the eleventh such fiscal year, in lieu of such capital costs and as partial reimbursement to the other member towns for their payment of capital costs on account of the original regional district school building, such town shall pay as part of its share of capital costs an annual surcharge of \$400 per pupil enrolled from such town in the regional district school on October 1 of the next preceding fiscal year. If on such October 1, there is an enrollment of less than five pupils from such town in the regional district school, such member town shall be deemed to have an enrollment of five pupils in the regional district school. The Committee shall determine the amount necessary to meet the annual operating and maintenance budget and shall allocate such amount among the member towns without taking such surcharge into account. After making such allocation, the Committee shall apply the amount of such surcharge to reduce the shares of capital and operating costs of the member towns which are not then required to pay such surcharge, in the same proportion as capital costs are allocable among such towns pursuant to Section IV of this Agreement. For the purposes of Section IX of this Agreement, if a new member town shall withdraw from the District prior to the twelfth year of its membership, such surcharge shall be deemed to be part of the town's share of the indebtedness of the District outstanding at the time of its withdrawal.~~ **(Amendment #2-2/20/79)**

(I) Incurring of Debt

Other than short-term borrowing for cash-flow purposes, the incurring of debt for purposes expressed in G.L. cChapter 71, section 16(d), will require at least a two-thirds (2/3) vote of all of the members of the Regional School Committee without regard for the weight of the votes. If such a margin exists, the Committee must seek authorization for incurring debt by following the approach set out in G.L. chapter 71, section 16, subsection (d). If one or more member communities vote disapproval of the debt, the Committee, by a majority of the weighted vote, may then seek authorization for the debt via Chapter 71, section 16, subsection (n). If and when subsection (n) is utilized, and if the incurring of debt is approved via subsection (n), the following option will be open to a member community if a majority of the residents registered voters voting on the question from that community voted to disapprove the incurring of debt in the subsection (n) election. Said community may seek to withdraw from the District consistent with the procedure in Section IX, and, if the notice of withdrawal is sent consistent with Section IX within sixty (60) days of the subsection (n) election, that community will not be responsible for a share of the debt service attributable to this new debt even if that community's withdrawal from the District is not approved by a majority of the member communities as required by Section IX, or even if the withdrawal of said community is disapproved by the Commissioner. Communities whose resident voters disapprove the incurring of the debt in the subsection (n) election but which do not give a notice of withdrawal consistent with Section IX will remain members of the District and will share in the debt service for the new debt consistent with the apportionment process in this Section IV.

SECTION V BUDGET

~~(A)~~ Initial Budget

~~Within sixty days after the initial regional district school Committee is organized, it shall prepare a reasonably detailed operating and maintenance budget covering expenses, if any, for the balance of the then fiscal year. Copies of such proposed budget shall be submitted to the chairman of the finance or advisory committee in a member town, to the chairman of the board of selectmen, for its consideration. A budget shall be adopted not earlier than fourteen days but within twenty-one days after the proposed budget has been so submitted. The amount of the said budget shall be apportioned among the member towns according to the provisions of Section IV herein. The regional district treasurer shall certify to the treasurer of each member town its respective shares of said budget. The sums thus certified shall be payable by each member town to the regional district school committee but only from funds which may be or may have been appropriated by each member town for such purpose.~~

~~(B)~~ (A) Tentative Operating and Maintenance Budget

~~Thereafter, t~~The Committee shall annually prepare a tentative operating and maintenance budget for the ensuing fiscal year, attaching thereto provision for any installment of principal or interest to become due in such fiscal year on any bonds or other evidence of indebtedness of the District and any other capital costs to be apportioned to the member towns communities. The said Committee shall mail a copy to the chairman of the Board of Selectmen and the Finance or Advisory Committee, if any, of each member town at least fifteen days prior to the date on which the final operating and maintenance budget is adopted by the Committee, said copy to be itemized in a fashion consistent with DESE's chart of accounts, as follows or in such further detail as the Committee may deem advisable:

- ~~1. Administration~~
- ~~2. Instruction~~
- ~~3. Other school services~~
- ~~4. Operating and maintenance of plant~~
- ~~5. Fixed charges~~
- ~~6. Acquisition of fixed assets~~
- ~~7. Community service~~
- ~~8. Debt retirement and debt service~~
- ~~9. Programs with other districts and private schools~~

~~{Amendment #1 11/20/73}~~

~~(C)~~ (B) Final Operating and Maintenance Budget

~~After conducting a public hearing consistent with G.L. cChapter 71, section 38M, f~~The Committee shall adopt an annual operating and maintenance budget for the ensuing fiscal year not later than forty-five days prior to the earliest date on which the business session of the annual town meeting of any member town is to be held, but in no event later than March 31, provided that said budget need not be adopted earlier than February 1. Said adoption of the budget will require a combined total of weighted votes equal to or exceeding 66.7% of the weighted vote of the entire Regional School Committee (i.e., not merely two-thirds of the weighted vote of those present at the meeting). Said

annual operating and maintenance budget shall include debt and interest charges and any other current capital costs as separate items, and the said Committee shall apportion the amounts necessary to be raised in order to meet the said budget in accordance with the provisions of Section IV. The amounts so apportioned to each member ~~communitytown~~ shall be certified by the district treasurer to the treasurer of such member ~~communitytown~~ within thirty days from the dates on which the annual operating and maintenance budget is adopted by the Committee, and each such ~~communitytown~~ shall, at the next annual town meeting or meeting of the city council, appropriate the amounts so certified. The annual Regional School District budget shall require approval by the local appropriating authorities of at least two-thirds (2/3) of the member communities consistent with G.L. cChapter 71, section 16B. ~~(Amendment #1—11/20/73)~~

~~If the amount necessary to meet the annual operating and maintenance budget for a fiscal year in which the admission of one or more new member towns becomes or is to become effective, shall have been determined and apportioned without regard to the payments to be received from any such member town as its share of the capital and operating costs of the District, the Committee may reopen the budget, may re-determine the amounts necessary to meet the budget taking account of such payments, and may reapportion such amounts among the other member towns in accordance with the provisions of Section IV; provided, however, that the shares of such amounts reapportioned to the member towns (other than such new member towns) shall be less than the amounts previously apportioned to such towns.~~
~~(Amendment #2—2/20/79)~~

SECTION VI TRANSPORTATION

School transportation shall be provided by the regional school district and the cost thereof shall be apportioned to the member ~~communitiestowns~~ as an operating cost.

~~During the first fiscal year in which the admission pursuant to Section VIII of a new member town is effective, such town shall be responsible for providing school transportation for pupils from the town enrolled in the regional district school and for paying the costs of such transportation.~~
~~(Amendment #2—2/20/79)~~

SECTION VII AMENDMENTS

(A) Limitation

This Agreement may be amended from time to time in the manner hereinafter provided, but no such amendment shall be made which shall substantially impair the rights of the holders of any bonds or notes or other evidences of indebtedness of the District then outstanding, or the right of the District to procure the means for payment thereof, provided that nothing in the section shall prevent the admission of new communities ~~a new town or towns~~ to the District and the reapportionment accordingly of capital costs of the District represented by bonds or notes of the District then outstanding and of interest thereon.

(B) Procedure

Any proposal for amendment, except a proposal for amendment providing for the withdrawal of a member ~~communitytown~~ (which shall be acted upon as provided in Section ~~DEIX~~), may be initiated by a vote of at least three-fourths (3/4) of all of the members of the Regional School

Committee, without regard for the weight of the votes, majority of all members of the Committee so long as the proposed amendment was discussed as an agenda item at no less than one prior Committee meeting. Alternatively, a proposal for amendment may be initiated by a petition signed by at least 10 per cent of the registered voters of any one of the member communities towns. In the latter case, said petition shall contain at the end thereof a certification by the Municipal Town Clerk of such member community town as to the number of registered voters in said community town according to the most recent voting list and the number of signatures on the petition which appear to be the names of registered voters of said community town and said petition shall be presented to the secretary of the Committee. In either case, the sSecretary of the Committee shall mail or deliver a notice in writing to the Board of Selectmen, or City Council, of each of the member communities towns that a proposal to amend this Agreement has been made and shall enclose a copy of such proposal (without the signatures in the case of a proposal by petition). The sSelectmen of each member town shall include in the warrant for the next annual or a special town meeting called for the purpose an article stating the proposal or the substance thereof, and the City Council in each member city shall vote on said proposed amendment within two months of its submittal by the Committee. Such amendment shall take effect upon its acceptance by allthree fourths (3/4) of the member communities towns, acceptance by each community town to be by a majority vote at a town meeting in the case of a town, or by majority vote of the City Council in the case of a city as aforesaid, and after approval by the Commissioner.

(C) Approval by Commissioner

All amendments to this Agreement are subject to the approval of the Commissioner. of Elementary and Secondary Education (hereinafter, the "Commissioner").

SECTION VIII ADMISSION OF NEW COMMUNITIESTOWNS

By an amendment of this Agreement adopted under and in accordance with Section VII above, any other community or communities town or towns may be admitted to the regional school district. {Amendment #2 2/20/79}

SECTION IX WITHDRAWAL

(A) Procedure

Consistent with 603 CMR 41.03(2) the withdrawal of a member community can occur only as of July 1 of a given fiscal year. A notice of desire to withdraw must be initiated by a two-thirds (2/3) vote of the legislative body of the member community, which must occur no less than three (3) years prior to the desired July 1 withdrawal date. The Municipal Clerk of the community seeking to withdraw must notify the Regional School Committee in writing within seven (7) days of the vote of the legislative body that the 2/3 two-thirds (2/3) vote has occurred, and the receipt of the notice of

withdrawal will be acknowledged in the minutes at a Regional School Committee meeting. Within seven (7) days of its receipt, the District's Clerk will notify in writing the Municipal Clerks of all of the member communities that a notice of withdrawal has been received. Once this notice of withdrawal is given, it may not be rescinded without the unanimous consent of the members of the Regional School Committee. The withdrawal of a community will be allowed only if it is approved by a majority of the other member communities. A failure of the legislative body of a member community to vote disapproval of a requested withdrawal within sixty (60) days of the notice of withdrawal being submitted to the Regional School Committee will constitute approval. During this three (3) year notice period, the departing member will continue to be responsible for the following:

1. Payment of its share of operating costs apportioned by way of subsection IV(E).
2. Payment of its share of capital costs apportioned by way of subsection IV(D), except that no apportionment for a withdrawing member will be made for a share of debt that was disapproved by the voters of said withdrawing member in a G.L. Chapter 71, subsection 16(n) election and after said disapproval a notice of withdrawal was sent by said member consistent with the terms of subsection IV(I). Similarly, no apportionment for a withdrawing member will be made for a share of any debt incurred after the member has given a notice of withdrawal.
3. The withdrawing community shall continue to have a right to appoint and be represented by its member on the School Committee with full voting authority until the date of final withdrawal, on which date the withdrawing community member's term shall end.

(B) Continuing Obligations After Withdrawal

A departing member shall have no right or claim to the assets of the District, and a departing member shall continue to be responsible, after withdrawal, for the following:

1. Payment of its share of capital costs incurred prior to withdrawal apportioned by way of subsection IV(D), provided that for purposes of this apportionment the withdrawn community's enrollment shall be deemed to be its enrollment determined pursuant to subsection IV(D) immediately prior to the date of its notice of intent to withdraw, except that:
 - a. no apportionment for a withdrawing member will be made for a share of debt that was disapproved by the voters of said withdrawing member in a G.L. Chapter 71, subsection 16(n) election and after which disapproval a notice of withdrawal was sent by said member consistent with the terms of subsection IV(I); and,
 - b. no apportionment for a withdrawing member will be made for a share of debt that was incurred by the District following receipt of the withdrawing member's notice of intent to withdraw, such notice having not been rescinded.

(C) Commissioner's Approval

Consistent with 603 CMR 41.03(2) the withdrawal of any member requires the approval of the Commissioner of Education, and all requisite approvals must be obtained no later than the December 31 preceding the July 1 effective date of withdrawal.

(D) Amendment to Agreement

The withdrawal of a member which occurs consistent with the above will, upon its completion,

constitute an amendment to the Regional Agreement, regardless of the fact that said amendment was not processed via the procedure contained in Article VII.

~~(A) Limitations~~

~~The withdrawal of a member town from the District may be effected by an amendment to this agreement in the manner hereinafter provided by this section. Any member town seeking to withdraw shall by vote at an annual or special town meeting, request the committee to draw up an amendment to this agreement setting forth the terms by which such town may withdraw from the District, provided that the said town shall remain liable to the District for its share of the indebtedness of the District outstanding at the time of such withdrawal, and for interest thereon, to the same extent and in the same manner as though the town had not withdrawn from the District.~~

~~(B) Procedure~~

~~The clerk of the town seeking to withdraw shall notify the Committee in writing that such town has voted to request the Committee to draw up an amendment to the agreement (enclosing a certified copy of such amendment). The selectmen of each member town shall include in the warrant for the next annual or a special town meeting called for the purpose an article stating the amendment or the substance thereof. Such amendment shall take effect upon its acceptance by all of the member towns acceptance by each town to be by a majority vote at a town meeting as aforesaid.~~

~~(C) Cessation of Terms of Office of Withdrawing Town's Members~~

~~Upon the effective date of withdrawal the terms of office of the member serving on the regional district school committee from the withdrawing town shall terminate and the total membership of the Committee shall be decreased accordingly.~~

~~(D) Apportionment of Capital Costs after Withdrawal~~

~~The withdrawing town's annual share of any future installment of principal and interest on obligations outstanding on the effective date of its withdrawal shall be not less than the average of such town's annual capital cost apportionment percentages for the three years next preceding the year in which its withdrawal becomes effective, or, in case such withdrawal becomes effective, the withdrawing town's annual share of such future installments of principal and interest shall be not less than the average of such town's annual capital cost apportionment percentage for such of the year or years preceding the year in which its withdrawal becomes effective for which an apportionment of capital costs shall have been made. The remainder of any such installment after subtracting the share of any town or towns which have withdrawn shall be apportioned to the remaining member town or towns in the manner provided in sub-section IV(D) or as may be otherwise provided in the amendment providing for such withdrawal.~~

SECTION X TUITION STUDENTS

The Committee may accept for enrollment in the regional district school pupils from communities towns other than member communities towns on a tuition basis. Income

received by the District from tuition pupils and not previously deducted from operating costs shall be deducted from the total operating costs in the next annual budget to be prepared after the receipt thereof, prior to apportionment under Section IV subsection FV(E) to the member communitiestowns, provided that income identified as a contribution to capital costs shall be applied to the capital budget..

SECTION XI FISCAL YEAR

The fiscal year for the district shall run from July 1 to June 30.

~~Except as may otherwise be provided by law, the fiscal year of the district shall be the same as the fiscal period of the member towns and the work year or fiscal year as it relates in this agreement to a fiscal or budget period shall mean the fiscal year of the District.~~

~~If the fiscal year of the District shall be other than the calendar year, the dates on or before which the respective percentages of the annual share of each member town shall be paid as provided in subsection IV (G) shall be adjusted so that not less than 25% thereof shall be paid not later than the first day of the third month of such fiscal year, 60% shall be paid not later than the first day of the sixth month of such fiscal year, 75% shall be paid not later than the first day of the ninth month of such fiscal year and 100% shall be paid not later than the first day of the eleventh month of such fiscal year.~~

SECTION XII SUBMISSION FOR APPROVAL

~~This Agreement shall be submitted for approval pursuant to the applicable provisions of Section 15 of cChapter 71 of the General Laws, to the towns of Acton, Arlington, Belmont, Boxborough, Carlisle, Concord, Lexington, Lincoln, Sudbury, Stow, Wayland and Weston. In the event that at least the towns of Arlington, Belmont, Concord and Lexington vote in the affirmative as provided in said Section 15 to establish a regional technical and vocational school district, composed of the towns of Arlington, Belmont, Concord, Lexington and such additional towns, if any, as so vote, shall be deemed to be established; otherwise this agreement shall be void and of no effect.~~

NOTE ON EFFECTIVE DATE OF AMENDMENT NO. 2

~~Amendment No. 2 to the Agreement, proposed by vote of the Committee adopted on February 20, 1979, shall take effect upon its acceptance by the member towns and upon the acceptance of the Agreement, as heretofore amended and as further amended by this Amendment No. 2, on or before June 30, 1981 by any one or more of the Towns of Bolton, Dover, Lancaster and Needham; provided, however, that the admission of any such town shall not be effective prior to July 1, 1980.~~
