Education Before Town Meeting

Select Board, March 2022

Last updated: 3/15/2022

Article 12, sponsored by Select Board

- To see if the Town will vote to provide the Select Board with a sense of the meeting as to restarting the Community Center planning and design process, and, if such sense of the meeting is in the affirmative, to request that the Board appoint a building committee, by whatever title, to review the results of previous planning efforts and to present its findings in an expedited manner so that a request for funds for planning and design services could appear on the warrant for a fall, 2022 Special Town Meeting; or take any other action relative thereto.

Education on Community Center Project

- The community center project was a topic at the State of The Town (SoTT) meeting in November 2021.
- The material presented at SoTT is comprehensive, and the best way to understand the project. The presentation itself was 30 minutes long, followed by 30 minutes of discussion.
- How to launch the video of the SoTT meeting with the Community Center topic:
 - Go to the SoTT video at <https://lincolntv.viebit.com/player.php?hash=8lIF5L2eNJeH>
 - The community center topic starts at the 57:30 time mark. (Hover your cursor over the video and a timeline will appear at the bottom with orange hash marks separating the topics discussed in the SoTT meeting. Click in the timeline at the 57:30 mark and Play.)

What to expect at Town Meeting

- There will be a ten minute presentation on the community center project, consisting of a highly condensed version of content presented at SoTT.
- At the end of the ten minute presentation, the moderator will invite comments and questions, culminating in a vote on the article.
