**Re: Landfill Solar Project Informational Session
September 21, 2022 – 7:00 p.m.**

Dear Mill Street Resident,

The Town is in the process of planning for the installation of a solar array on the Town's closed landfill cap, located adjacent to the Transfer Station in the vicinity of Route 2A/Mill Street.

We will be hosting an informational session on the evening of September 21, 2022, at 7:00 p.m. The meeting will be held virtually, via the Zoom link provided below. The meeting will begin with a short presentation, followed by a questions and comments session. In preparation for the informational session, we refer you to the enclosed Frequently Asked Questions (FAQ) document. Additional information and project updates will be posted to the Town's website at: <https://www.lincolntown.org/1379/Landfill-Solar-Project>

The informational session will be recorded and posted to the website for the convenience of those who may be unable to attend on September 21st.

We look forward to the opportunity to discuss this important Town project, and to share thoughts about how to minimize any potential impacts.

Thank you,

Timothy S. Higgins
Town Administrator

Encl.
