

Moderator's Meeting

Wednesday, March 20, 2024

7:00 p.m.

Donaldson Conference Room – Town Offices (In-person)

As is our custom, the Town Moderator is hosting her annual meeting whose purpose is to help ensure an efficient and orderly Town Meeting. Warrant Article sponsors will be asked to identify the people who will introduce the Motion, make presentations, and be prepared to answer questions. The Moderator will set expectations for time limits for speakers and presenters. We will also clarify procedural and logistical matters.

Substantive matters will not be discussed or debated!

The meeting is open to the public.

For the Moderator,

Timothy S. Higgins

Town Administrator
